

4H/FFA Incentive Program

Farm Service Cooperative will be sponsoring an incentive program for 4H and FFA participants for the 32nd year. Initiated in the summer of 1990, this program offers a reward to young producers who choose to feed products supplied by FSC. The 4H/FFA Incentive Program has been designed to reward youth for participating in the fair programs, rather than only compensating those individuals whose livestock does well at the shows. In past fair seasons, FSC has made contributions to over 75 area 4H and FFA participants.

FSC Contributions for 2023 Fair Season:

Market Beef: \$20.00/head

Breeding Beef: \$20.00/head

[Contributions are limited to 6 head, and will be paid after county fairs are completed.]

Requirements:
