

# 4-H & FFA Incentive Program

Farm Service Cooperative will be sponsoring an Incentive Program for 4-H and FFA participants that choose to feed products supplied by FSC. It was designed to reward youth for participating in the fair programs, rather than only rewarding exhibitors whose livestock does well at the shows. In order to qualify for the incentive, you must feed FSC supplied products throughout the entire ownership of the animal being shown.

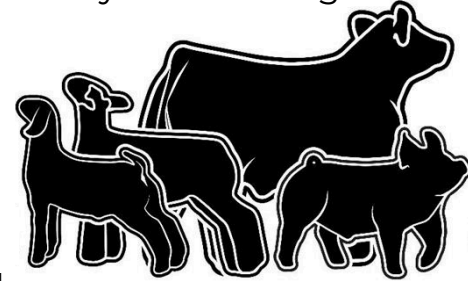

Payment will be made at the discretion of the Sales and Management team.
