

Company: Farm Service Cooperative

Job Title: Energy Delivery Driver

FLSA Designation: Non-Exempt

Reports to: Branch Manager and/or Dispatcher

---

Energy Delivery Driver Role: To drive a commercial propane/fuel truck with a capacity of at least 26,000 pounds gross vehicle weight (GVW), make efficient, safe and professional deliveries to Farm Service Cooperative customers, promote FSC sales and assist with energy essential functions, as well as other FSC Divisional needs (such as Agronomy or Feed).

Accountabilities/Essential Functions:

- Safely operate delivery vehicles to transport energy products to customers.
- Maintain accurate delivery logs and associated paperwork and ensure timely deliveries.
- Provide excellent customer service by addressing inquiries and resolving issues.
- Conduct routine vehicle inspections and maintain cleanliness and functionality of equipment.
- Adhere to safety protocols and company policies at all times.

Knowledge, Skills and Experience:

- Valid Commercial Driver's License (CDL- Class B minimum) with an acceptable driving record and Hazmat, Tanker and Air Brake endorsements.
- Strong knowledge of local roadways and delivery routes are a plus.
- Excellent communication and interpersonal skills.
- Ability to lift and carry heavy objects as required for deliveries, minimum of 60 pounds on a consistent basis.
- Previous experience in a driving or delivery role is preferred.

Protective Clothing and Devices:

- Some of the job duties of this position may require you to wear personal protective equipment (PPE), if so, when and how to use this equipment will be explained to you at the time of hire.
- To determine ability to perform job functions where the use of a respirator is required, employees will be given a physical examination prior to performing this type of work.

Working Conditions and Physical Demands:

- Ability to lift a minimum of 60 pounds on a consistent basis.
- 80% of work performed in daily operations include delivering energy products.
- The remainder of workload will include assisting other FSC Divisions.
- Ability to work days, evenings and weekends, with or without prior notice.
- Requires exposure to high places, minor burns, cuts, bites or stings, contaminates.
- Requires sitting, standing, walking, bending, stooping, kneeling, climbing, pinching, grasping, reaching above and below shoulder and repetitive foot movements.

- Requires working in non-controlled environmental conditions, including indoors or outdoors and exposure to all weather conditions, including very hot (above 90 F degrees) or very cold (below 32 F degrees) temperatures.
- Includes exposure to smells, sounds and noise levels that are distracting or uncomfortable.
- Job tasks are performed in close physical proximity to other people, cramped work spaces and/or getting into awkward positions.
